CLASS OF 1963

Bement High School
Bement, Illinois

We'll Always Remember. . . .

... The first day of school when we greeted old friends and attended new classes.

... The football games, half-time entertainment, and homecoming.

... The coming of winter and the basketball games.

... The much anticipated Christmas vacation, followed by semesters.

... The club activities and parties.

... The track meets in spring.

... The magic of Prom.

... The frantic cramming for final exams.

... The last big day!

This was the year 1962-63.

Dedication

MR. LLOYD (BUNKER) HILL
Superintendent of Maintenance

To you, Bunker, we dedicate this 1963 BIM in appreciation of twenty-five years of service to Bement schools. We'll always remember the way the hall floors shone after vacations, the dust-free desks in classrooms, the warmth of the building on cold winter mornings, your friendship to students and faculty, and the many times you welcomed us to "Bunk's room". A subtle glow in the school came from your presence as well as your efficiency.

Thank you, Bunk. We are grateful for your interest in us, the students, and in the school.

Our Administrators

MR. WALTER SLATER SUPERINTENDENT

In his last year as superintendent of Community Unit District No. 5, Mr. Slater directed activities from a new office in the grade school. His absence from the high school was felt by all who had gone to him for school business or personal advice.

During the fifteen years Mr. Slater was superintendent, he was never too busy to confer with students, with their best interest always in mind. Although at times we did not agree with him, we respected his judgment and valued his advice.

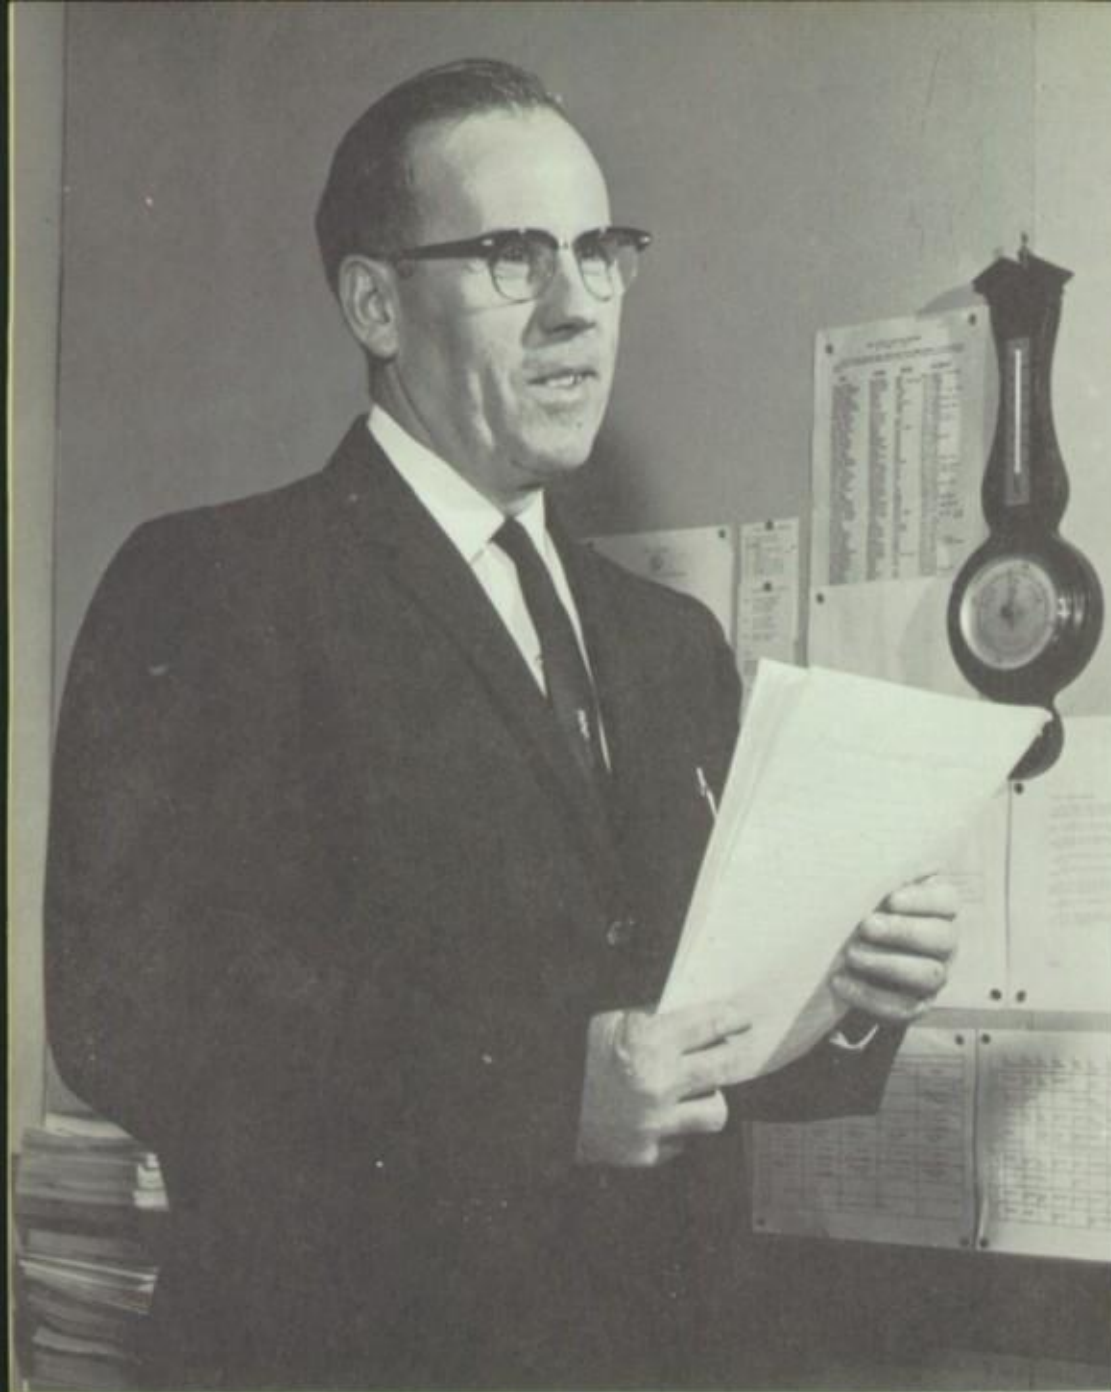

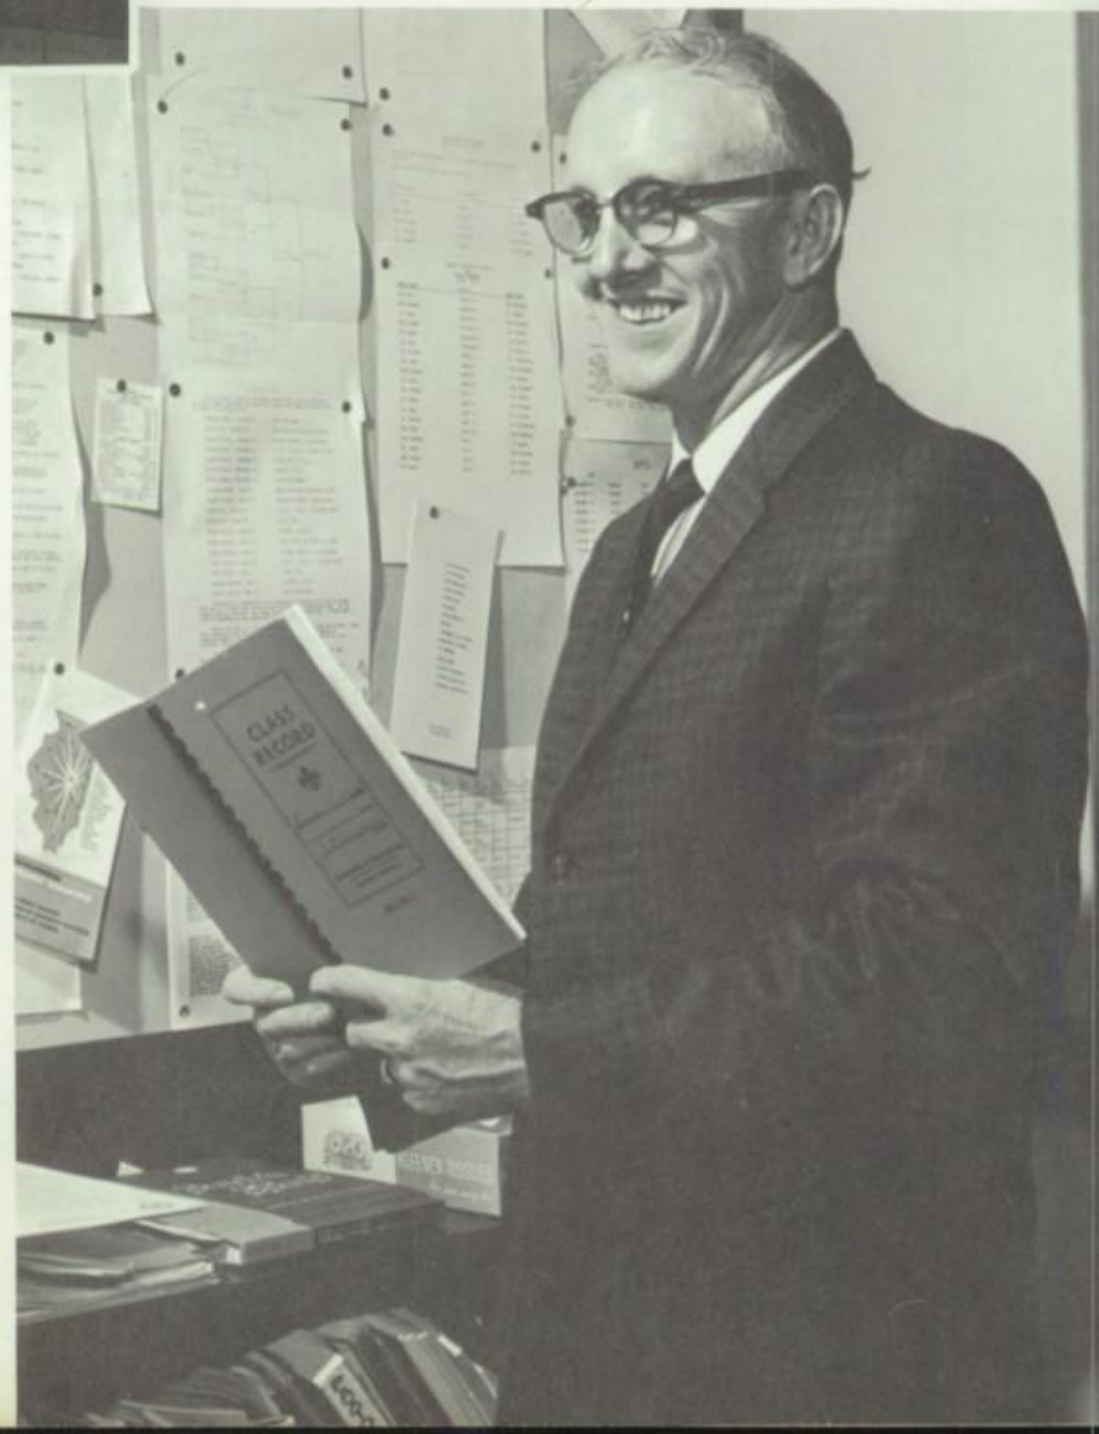

We, the students, appreciate the help and encouragement Mr. Slater has given us. His influence will remain with us throughout our lives.

MR. J. E. HARGRAVE PRINCIPAL

A conscientious friend and counselor, Mr. Hargrave has completed his last year as principal of B. H. S. Next year he will take over the duties of superintendent of Community Unit District No. 5.

For six years, Mr. Hargrave has carried on the duties of principal and has also taught American problems classes. Although he has been special counselor to the junior and senior classes, he has been concerned for the welfare of all the students and has always been ready to advise anyone who needed help.

Our deepest appreciation goes to Mr. Hargrave. The students will ever be grateful for his interest and guidance.

Are Friendly and Capable

SEATED: Mr. A. E. Bodman, President; Mr. Albert Harshbarger, Mr. Clarence Lefever, Secretary; Mr. Russell Rodgers. STANDING: Mr. Warren Hendrix, Mr. Donald Temple, Mr. Guy Totten.

These members of the Board of Education of the Bement Community Unit District No. 5 have the necessary foresight which enables the school to be the efficient organization that it is. Mr. A. E. Bodman is retiring from the position of school board president which he has held for fifteen years. Mr. Albert Harshbarger and Mr. Russell Rodgers are also retiring as school board members. Both the school and the community appreciate the service they have donated in these past years.

MRS. BETTY MILLER, SECRETARY

The Bement Community School system is most fortunate to have Mrs. Miller for secretary. She is very efficient and is always ready to extend help to students and teachers.

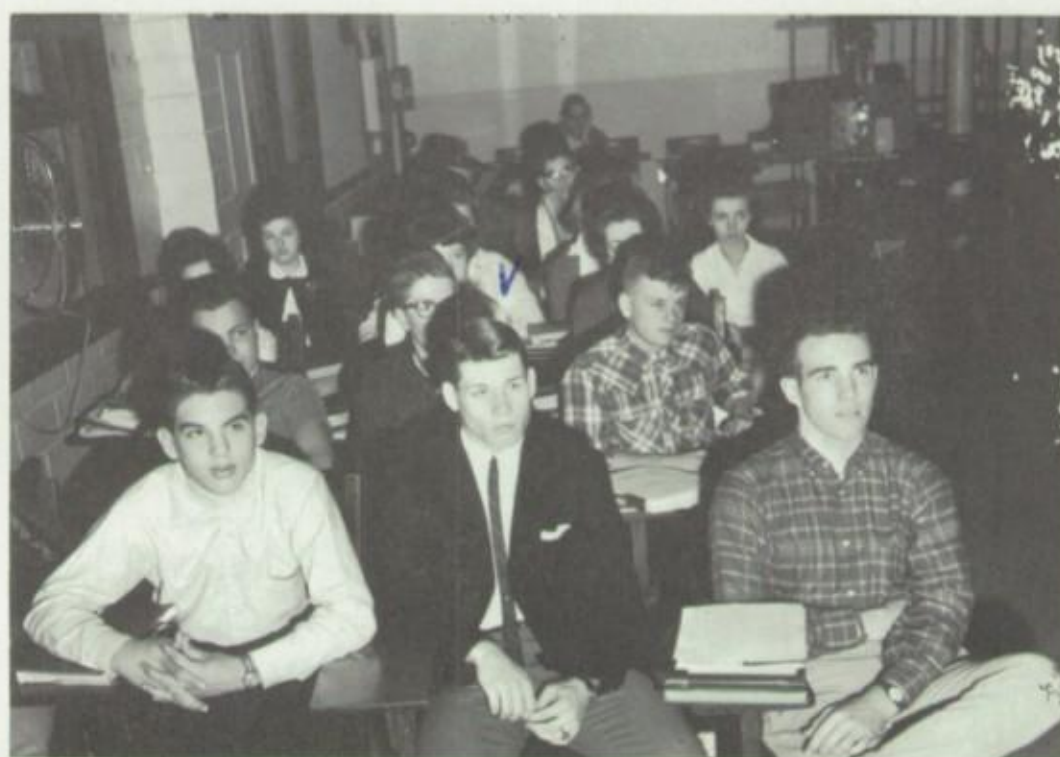

Help Us to Communicate

MR. JAMES HARGRAVE, MR. ROBERT LONG

An important supplement to textbook study of American history is the use of films picturing historical events. Mr. Long's American history class is shown watching a film in the projection room. Sitting between Steve Marker and Lowell Bentley is Clayton Harris, a visiting Tuscola Student Council member. *✓me*

Up or down?--That is the question Ron VanVleet, Bob Durbin, Toni Coffey, and Dave Morris are seeking the answer to. Each student in Mr. Hargrave's American problems class anxiously watches the stock reports for fluctuations in the stocks in which he has invested an imaginary \$10,000.

and Languages with Our Fellow Men

Mrs. Virginia Dare, a proficient linguist, teaches the classes in French I and II and Latin I and II as well as acting as advisor of the Sophomore class and the Latin Club.

Mrs. Evelyn Fisher teaches English I, II, and III. She also acts as Freshman class advisor, and she is the director of the senior play.

In addition to teaching English III and IV, Miss Isabelle Houston is our librarian. She is also advisor of the senior class and of the Annual Staff.

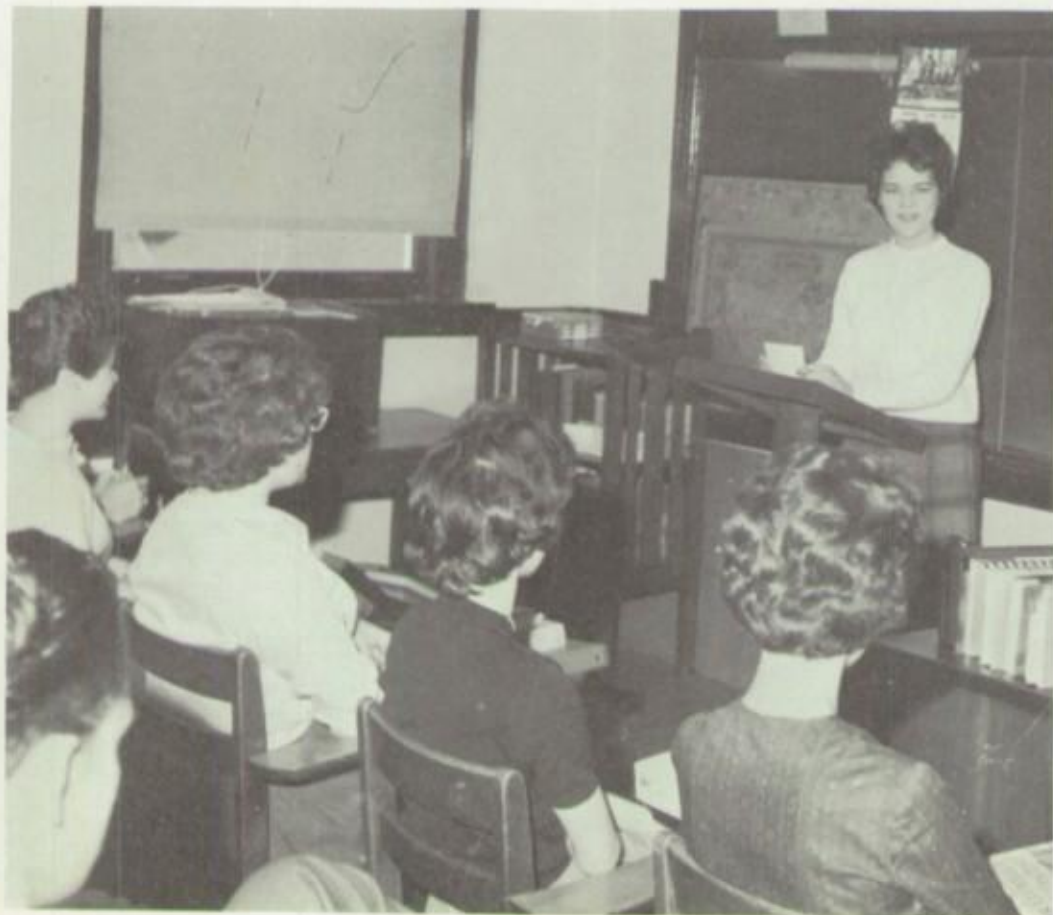

Mrs. Jacquelyn Tucker is kept busy teaching English I and II and advising the Junior Class.

MRS. VIRGINIA DARE, MRS. EVELYN FISHER,
MISS ISABELLE HOUSTON, MRS. JACQUELYN TUCKER

A newly installed language laboratory makes learning to speak a new language more interesting for the fifty French students. Harry Sutphen and Wendy Taylor are shown working with the recorder as they listen to and repeat after the native French voices on the tape--J'entre dans la salle de classe.

The Senior speech class listens intently as Sandra Shonkwiler gives a well-prepared speech. English IV classes also spend a semester improving on their writing skills.

Math and Science for a Highly

The smell of sulphur or a sudden explosion is evidence that Mr. Hensley's chemistry classes are hard at work. He also teaches biology, is Assistant Counselor, and is an advisor of the Student Council.

Almost any scientific or mathematical feat can be expected of Mr. Warpenburg and his many classes. He teaches Practical Mathematics, Advanced Science, General Science, Algebra I and Physics, and is an advisor of the Junior Class.

Chalk and erasers are put to good use in Mr. Drain's math classes whether Algebra I or II, Geometry, or Advanced Math. He is also the advisor of the B Club.

MR. THOMAS HENSLEY, MR. NORMAN WARPENBURG, MR. DON DRAIN.

Curves and figures make good sense to these geometry students as they watch Charles Body, Jim Lammle, and Susan Varner. They know that what they learn in this class can be applied to everyday life.

Prepare Us Technical World

Is it snow or fallout? Any chemistry student can tell you it is only the result of an experiment using a fire extinguisher.

Nancy Busey and Jerry Pendleton look on as Allen Merry, Steve Cokley, and Nancy Probus put the organs of the human body in place. While studying the parts of the human body and their functions, biology students test their knowledge by putting together Thucydides, a new addition to the biology equipment. Racing to see who can do this in the shortest time is a favorite pastime of these students.

MISS MARGARET HUSTEAD, MISS JOYCE HEIDKAMP

Plan a Meal, Type a Letter,

Teachers in the vocational classes combine book learning with practical projects.

Miss Hustead teaches Home Economics I, II, III, IV. She is an advisor of the Bulldogs Bark and the F.H.A.

Miss Heidkamp's classes learn skills in office practice, shorthand, typing, and bookkeeping. She is also an advisor of the Junior Class.

Home Ec. girls learn culinary arts and sewing techniques. Studies in family living give them a look into the future. Diane Stanley, Patty Pierce, Barbara Burton, Linda Lambert, Diane Stine, Linda Tieman and Brenda Henderson are putting the finishing touches on dresses they are making.

In Office Practice, girls learn to use office machines and duplicators, learn filing techniques, and become more proficient in shorthand and typing. They hope to use their skills in that future job. Karoline Fogel, Mary Burgess, Mary Brennan, and Pat Stoerger are practicing skills for speed and accuracy.

Design a Table, or Plant a Field . . . It's Vocational

Preparing us for the agricultural and industrial fields is the main objective of these teachers.

Mr. Ingram teaches Agriculture I, II, III, and IV and biology. He is an advisor of the Future Farmers of America and of the Junior class.

Mr. Heath teaches Industrial Arts I, II, III, and IV. He also serves as an advisor of the Senior class.

MR. OSCAR INGRAM, MR. RICHARD HEATH

Planning their Industrial Arts projects intrigues Gary Price, Dale Lambert, Chris Tempel, Larry Phipps, Wayne Zoch, and Steve Rittenhouse. Time spent at the drawing board is important to almost any project.

These ag boys are putting the finishing touches on Gary Harper's project of building a horse trailer. Much time and hard work is required before such projects are completed.

MR. DAVID METZLER, MISS CHARLOTTE GLENN

Music Enriches Our Lives

Talented teachers make musical arts interesting and rewarding. Mr. David Metzler conducts the concert and marching band. He also works with the dance band.

Miss Charlotte Glenn directs boys' chorus, girls' chorus, and mixed chorus. In addition to regular classes, she coaches the Bimmettes and Mixed Ensemble.

Hours of practice pay off in satisfaction when the band gives a good performance. Whether trilling a note or holding it four long beats, perfection is important.

Don't be sharp, don't be flat--just be natural. Harmony in voices reflects an interest and enjoyment in working together.

Physical Education Builds Our Bodies

Miss Gisinger and Mr. Terzian keep the physical fitness quotient high at B.H.S. The physical education classes take part in a variety of activities including badminton, basketball and volleyball.

Miss Gisinger teaches the girls' physical education classes, and advises the cheerleaders and the G. A. A.

Mr. Terzian is the physical education teacher for the boys and the drivers' training instructor. Besides teaching these classes, he is a Freshman class advisor.

MISS MARY LOU GISINGER, MR. GEORGE TERZIAN

Mr. Terzian's physical education classes spend much time on body-building exercises including weight lifting, rope climbing and chin-ups.

Shown performing a modern dance are Carol Poling, Betty Stoerger, Cheryl Browning, Beverly Busey, and Diane Shepherd. Students use their creative talents to plan and perform different dances.

Helpers Prove Ready, Willing, and Able

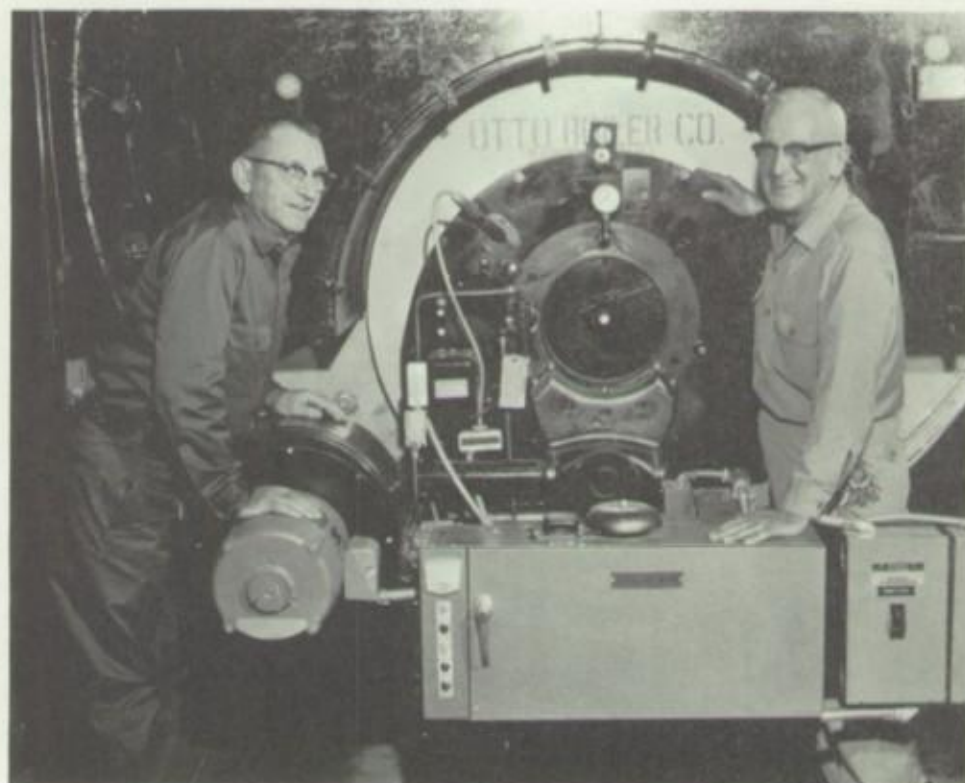

These ready men are our chauffeurs as we travel to and from BHS. Added to the Crook Bus Service is the installation of short-wave radios. These prove helpful in emergencies such as stalled buses and bad weather.

Mr. Clarence Janes, Mr. Ralph Wright, Mr. Lynn Crook, Mr. Dale Clow, Mr. Olin Day, Mr. Paul Miles, Mr. Ira Woolridge.

These willing workers keep our school clean and neat. They also supervise the operation of a new gas furnace which was installed to replace an antiquated heating system.

Mr. Herb Helm, Mr. Loyd "Bunker" Hill.

When the bell calls "Come and get it," we know these able helpers have prepared a hot, nourishing meal for us. The new lunchroom for high school students and the dietitian's room added to the efficiency of the lunch program. Miss Mary Fern Clodfelter, Dietitian; Mrs. Nora Buckner, Mrs. Helen Jeffers, Mrs. Bertha Olinger, Mrs. Frances Adams, Mrs. Hazel Liestman.

Activities

We'll always remember the club meetings, homecoming, parties, initiations, the concerts, the staff sessions, the senior play, our "Evening in Paris"--all the events that made the days fly by.

A Variety of Events

Last year's seniors and entering freshmen join the rest of the student body at the first of the year for the Annual Party.

Autographing friends' annuals and reliving last year's events provides a full evening. As the Class of '62 leave BHS for the last time and the freshmen attend their first high school party, a new year begins.

The bonfire preceding the homecoming football game was a successful pep and spirit booster. Students did a snake dance through town to the football field. There Coach Terzian and the football players made short speeches, and the cheerleaders led the student body in cheers before a roaring bonfire.

Early in September, the seniors started selling magazines to make enough money to finance the Bim. Their sales totaled \$2542.29, the most a B. H. S. senior class has ever achieved. Mary Sue Burgess, the high salesman, sold \$249.20 worth of magazines. For her prize she chose a clock radio which Art Wilkinson is presenting to her. Pat Stoerger, general manager, Warren Hendrix, Eddie Gulliford and Dave Morris are waiting for their prizes.

Add Fun and Surprises to

Kay Fisher, Patty Stoerger, Stella Breen, Toni Coffey, Sharon Thompson, Glenna Gorrell, Sue Steidinger, and Kathy Fisher are boarding a school bus bound for Monticello on College Day. There, representatives of colleges in Illinois speak to students about their college choices and plans.

The French II class prepared a meal of French cuisine which consisted of leg of lamb, onion soup, congealed beef boullion, homemade French bread, green beans, rice, caviar, floating cake, and French coffee. The meal was well prepared but the French foods tasted so different from that of American foods that the class were again thankful that they are Americans.

At the Christmas Concert on December 13, the audience joins the chorus in singing familiar Christmas carols as they are played by the band. Other songs were sung that evening by the Bimettes, the mixed ensemble, and the high school and grade school choruses. The songs played by the band and dance band also contributed to everyone's Christmas spirit.

As a prelude to the Christmas vacation, the Student Council planned a Christmas program for the student body at which several school organizations presented clever skits.

One of Santa's elves, Laddie Wright, here assists Santa, who strangely resembles Warren Hendrix, as he passes out the Christmas gifts to B. H. S. students. Charlene Alblinger tells Santa she "has been a good girl" and receives a Christmas present.

Our Memories of B. H. S.

Exasperated, Toni Coffey and Karoline Fogel restore order to their lockers which were among those "dumped" during an unexpected locker inspection. It is nice to have a clean locker at least once a year.

"Victory!" Steve Rittenhouse, Gordie Gulliford, Laddie Wright, Allan Fay, Jim Shonkwiler, and Gary Hendrix start the pep meeting with a roar-of laughter. This was one of the several skits which highlighted the Friday afternoon pep meetings.

February 19 was picture taking day at BHS. Mr. Bill Blankenburg of Blankenburg Photographers came to take group pictures of various organizations. Here he poses a group of G. A. A. girls. The pictures he took played an important part in presenting this yearbook.

Last Night - Anticipation

"Tonight" - Homecoming

A spirited parade heralded the 1962 Homecoming festivities. On the eve of homecoming, a bonfire lit the night and cheers filled the air.

On October 12, excited spectators watched the Bulldogs battle the Monticello Sages to a 6-6 finish.

At last, it was "Tonight." As the gym filled, tension mounted. Lights dimmed, and the regal attendants entered followed by Her Majesty Mary Sue Burgess.

The Ray North Orchestra provided royal music for dancing in a transformed small gym. Soft lights and soft music enhanced the mood of "Tonight."

Prom- -in the Shadow of the Eiffel Tower

On the evening of May 4, the juniors and their guests, the seniors, embarked on an enchanting "Evening in Paris." The evening was moonlit and the decorations were beautiful.

At an elaborate banquet before the Prom, the juniors, seniors, and faculty members enjoyed a delicious meal served by "French" waitresses from the freshman and sophomore classes.

After everyone had finished eating, master of ceremonies Glen Kitson introduced the acts in the entertaining floor show which featured junior talent. Six lovely French girls led the entertainment by singing the a-propos songs "Chanson L'Amour" and "Whatever Will Be Will Be." Then Danny Harper showed real showmanship pantomiming an hilarious song.

For the final performance of the evening, Margie Buckner, and Gary Gallagher did a charming soft shoe dance to the "Sandpaper Ballet".

At the "Prom", the juniors, seniors, and their guests spent an "Evening in Paris" dancing in the shadow of the Eiffel Tower. The Orchestra provided dreamy music for the long-awaited evening.

Blue lights shone on a vendor's cart filled with colorful flowers. Hidden in the midst of the flowers was a popular attraction, a punch bowl filled with cool, pink punch. Helen Bowen waits patiently as her escort Bob Harper, an alumnus of B. H. S., serves punch to her.

Student Council Voices

Student Opinions

The Bement Student Council consists of four seniors, three juniors, two sophomores, and two freshmen. Each class elects its own members. The Council has efficiently provided entertainment for the student body this year. They sponsored three school parties--a play-night, a semiformal dance, and a picnic--as well as coke dances, a Christmas program, and intramural volleyball during the noon hours. Homecoming plans and decorations are a major Student Council activity. An important duty of the Council is patrolling the lunchline.

The Okaw exchange is an interesting way for students to visit another school and to learn how it differs from their own. This year Bement and Tuscola were paired. The picture to the right was taken on the day Tuscola Council members visited Bement. Those seated in the picture are Helen Bowen, Melinda Carroll, Kay Fisher, Dorinda Knapp, Sue Hillard, and Sue Fisher. Those standing are Mr. Hargrave, Mr. Lineburger, Clayton Harris, Bill Tracy, Mike Kyle, Steve Marker, Art Wilkinson, Mike Carroll, and Mr. Hensley.

During the spring Okaw Valley Student Council meeting, Lowell Bentley, who will be on Bement's Student Council next year, was elected President of the Okaw Council. This will mark the fourth consecutive year that Bement has had an officer on this Council.

The G. A. A. meets each Tuesday night after school to enjoy sports activities. The sports, which change each six weeks, include softball, basketball, volleyball, bowling, and badminton. In addition, this year has included candy sales, a candy-sales party, initiation of new members, installation of next year's officers at a Mother-daughter tea, and Christmas caroling.

Each year a formal initiation is held to honor G. A. A. initiates. These initiates-Linda Strohl, Sharon Ard, Mary Jeffers, and Sue Yeates- stand in line to receive their G. A. A. pins from the officers, Joanne Pembroke, Fran Harshbarger, Sue Hillard, and Donna Taylor. The pins are presented during a candlelight service in which the officers explain the ideals of G. A. A.

On December 17, the G. A. A. and F. H. A. members met at the home-ec room. From there they went Christmas caroling to the homes of elderly and shut-in people living in Bement. The picture at the right was taken while the girls were singing at the Rest Haven. When they had finished caroling, the girls returned to the home-ec room for refreshments of cocoa and doughnuts and for a gift exchange.

The Future Homemakers of America emphasized family living this year. As part of this program, the girls heard Reverend Polzine and Father Arensburg speak on the successes and failures of early marriages. Other activities of the club were a bake sale, Christmas caroling with the G. A. A., and a cookbook sale. Spring activities included a trip to St. Louis, and a Mother-Daughter Tea in conjunction with the Style Show and the installation of officers on May 16.

F. F. A. Builds Farmers

OFFICERS--Mr. Ingram, Advisor; Tom Fogel, Reporter; John McCullough, Sentinel; Gary Harper, Secretary; Bob Davis, Treasurer; David Fay, President; Bob Knowles, Vice-President. KNEELING: John Larson, Raymond Stoerger, David Dobson, Dave Morris, John Riddle. BACK ROW: Steve Hendrix, Ron Bilbrey, David Zindars, John Hendrix, Duane Thompson, Danny Harper.

The Bement Chapter of the Future Farmers of America is composed of students who are taking agriculture or have taken it at least one year. The first two years of the agriculture course are concerned with the study of soils and farm animals, while the last two years emphasize mechanics and welding. The F.F.A. sponsors a parent-son night for which they cook the meal. Mr. Charles Rayburn, the present state secretary-treasurer of the F.F.A., who was the guest speaker, spoke on "Believing in the Future of Farming and Agriculture."

with Character and Skill

An important event of the Parent-Son Banquet of the F. F. A. is the crowning of the F. F. A. Sweetheart. Any senior girl who is a member of the F. H. A. organization is eligible to be chosen F. F. A. Sweetheart by the F. F. A. boys. Officers Gary Harper, David Fay, Bob Knowles, and Bob Davis show Pat Stoerger, the 1963 F. F. A. Sweetheart, where her name will be placed on their placque.

The F. F. A. boys who won awards are Gary Harper--Dekalb Award, David Fay--Dairy, John Riddle--Shop, John Larson--Beef Cattle Award and Chapter Farmer Pin, Bob Knowles--Swine, Ray Stoerger--Corn and Chapter Farmer Pin, Duane Thompson--Chapter Farmer Pin, Tom Fogel--Baby Beef Award and Sectional F. F. A. Award in Beef, David Zindars--Chapter Farmer Pin, and John McCullough--Sheep.

The fat stock judging team of Tom Fogel, Dave Zindars, Gary Harper, Bob Knowles, Duane Thompson, and John Hendrix placed below the top ten teams in competition.

The dairy judging team of David Fay, John Larson, John McCullough, Tom Rutledge, Dave Dobson, and Steve Hendrix also placed below the top ten teams in competition.

Latin Club Members Relive Ancient Roman Glory

A festive Roman Banquet highlights the activities of the Latin Club. A variety of delicious food is served by the slaves (the initiates) to the reclining "Romans". Skits and dancing in the old Roman style entertains the well-fed guests.

Besides planning the banquet, the Latin Club devotes time to supplementing their knowledge of Latin and the Roman people with reports and discussions. Games played using Latin make learning fun.

In the picture to the right, David Fisher and Jon Adams are shown demonstrating the use of a microprojector to David Redman, a future Bement High School pupil who was visiting the department during the P.T.A. Open House.

Harmony of Instruments- - with a Beat

The Bement High School band experienced a rewarding school year. Their activities included participation in the Christmas Concert on December 13 and the Spring Concert on May 9, playing for some basketball games and pep meetings, and competing in the state contest where they received a second rating.

The Twilighters, our swinging dance band, took part in the two concerts. For the first time a Bement stage band went to contest. Out of all the schools there, the Twilighters were second only to a band from Decatur. They were also asked to play at several meetings, conferences, and coke dances.

Bulldog Boosters were entertained at home football games by a well-drilled marching band. The band was led down the field by five lively majorettes and the flag bearer, Judy Funk.

At the homecoming game, spectators viewed the band as it portrayed favorite activities of various seasons. Here the band is shown participating in a popular spring sport--baseball.

Sports

We'll always remember the chill of football games, the excitement of basketball games, the flying cinders of track meets, intramural competition, and the energy and enthusiasm of the cheerleaders.

FOOTBALL CHEERLEADERS

Through their energy and enthusiasm these girls stimulated school spirit among the students and encouraged the team to do its best.

The varsity football cheerleaders attended Cheerleader School at Illinois State University in Bloomington last summer. In competition with about thirty schools having squads of five or more, our girls won a first place rating.

B-Club Unites Top Athletes

The lettermen's organization of Bement High is the B-Club. Any boy who earns a letter as a member of an athletic team or as a manager is eligible to join.

Funds are raised by running a football and a basketball stand. These funds are used for the B-Club playnight and for buying B-Club pins. These pins are to be presented to the senior members and to the second-year members.

In order to make the display of the sports trophies more effective, the B-Club decided to put all of the basketball trophies into the trophy case in the foyer of the large gym and to arrange all other trophies in the trophy case in the high school corridor.

Shown in this picture are Coach Drain, Steve Marker, Bob Knowles, Art Wilkinson, and Bill Tracy.

FIRST ROW: Mr. Drain, Advisor; Warren Hendrix, President; Art Wilkinson, Vice-President; Alan Fay, Secretary-Treasurer. SECOND ROW: Jerry Allen, Larry Phipps, Roger Moery, Bill Tracy, Steve Marker. Bulldog Gridders

Inexperience proved to be harmful to the 1962 football team as it compiled an 0-6-2 record. The Bulldogs lost to Tuscola, the conference champions, by a mere seven points. The highlight of the season was the Homecoming game with Monticello in which both teams battled to a 6-6 tie.

THIRD ROW: Woodie Dean, Bob Glennon, John Hendrix, Harry Sutphen, Larry Burton*, Steve Hendrix, Ray Plummer, Vic Manny.

The losing record of the track squad is no indication of how hard the boys worked throughout the season to improve their various times and distances. The majority of the track team is made up of juniors and sophomores who show great promise. The best individual achievement of the season was Roger Moery's coming within a half-inch of the school broad jump record.

Students

We'll always remember the special friends,
class meetings, class parties, and the money-raising
projects.

The freshman year is a time for new experiences and adjustments. During this first year of high school, the freshmen take several special tests. Here they enter the projection room to find their seats to take the NEDT test which was held in March.

These underclassmen also have time for fun. At their freshman party they enjoyed a rousing game of wiffle ball, several amusing skits, fast moving relays, and dancing.

Some of the sophomores rest while they eat refreshments of sandwiches and pop served during the sophomore party. Teams for games were designated by colored banners given each sophomore when they arrived. Some of the games played during the evening were volleyball, relays, and passing beans over the shoulder. Humor was added to the occasion by a suitcase game. After the games, the class enjoyed dancing.

Graduation Climaxed High School Years

After Mr. Hargrave presented the Class of '63 to Mr. Slater, Mr. Slater presented each Senior with his diploma for graduation from B. H. S. Pat Stoerger receives her diploma with pride, as did each of her classmates.

This year's seniors formed a receiving line in the large gym following graduation exercises on May 24. Their friends and relatives congratulated the graduates and wished them a successful future.

As the time of parting arrived Mary Burgess and Sue Steidinger, like many of the Class of '63, bid each other a tearful goodbye.

A graduate, Ed Gulliford, put away his cap and gown after commencement. Many have gone before and many will go in the future, but this moment will always be special to him and his classmates.

Special Recognition to. . .

With the approval of the Board of Education, the senior class of 1963 chose to dispense with the traditional recognition of the valedictorian and salutatorian and to honor all who had maintained a scholastic average of 4.5 or better. The seven students pictured received gold pins at the commencement exercises in recognition of their high averages. SITTING: Kay Fisher, Toni Coffey, Warren Hendrix, Claris Smith, Mary Brennan. STANDING: Sue Steidinger, Helen Bowen.

Helen Bowen and Art Wilkinson were chosen by the senior class and faculty to receive the D.A.R. and S.A.R. awards respectively. Both students are active in school activities and are leaders at B.H.S. Helen and Art are pictured decorating the small gym for one of the parties they helped plan.

Richard Hall, who received the Arion Award last year, attended the spring concert on May 9 where he presented the 1963 Arion Award to Helen Bowen. Helen was chosen to receive this coveted award by the band and chorus members with the approval of Miss Glenn and Mr. Metzler. This award is given each year to a senior who is outstanding in musicianship, scholarship, co-operation, and citizenship.

We'll

Always

Remember. . . .

I ran around with Margart Fairbanks
and Diane Jorgeson more than any
one my senior year. Diane married
Longo Pierre and Margart married 'Judge'
Darrell Jorgeson her baby was a girl
born in March or April of 65. Both
married after I did.
